Raymond Fier
American Highway Products
5323 Pin Oak Avenue, N. W.
Masillon, Ohio 44646

SUBJECT: Manhole Adjustable Extension Ring

Dear Mr. Fier:

Your product has been reviewed by the Department and is approved for use on state projects in accordance with Standard Specification 425-6.8.

Prior approval by the project engineer will be required to ensure the extent of your product.

Sincerely,

A handwritten signature in cursive script that reads "Alan L. Lafferty".

Alan L. Lafferty
Engineer of Product Evaluation
