Dear Sir:

The Product Evaluation Committee has determined that your product conforms to department needs and is acceptable for use by the Texas Department of Transportation. It meets or exceeds the Texas Standard Specification for manhole risers and performs as indicated by the manufacturer.

This letter should not be considered an endorsement of your product nor should it be used for promotional purposes.

Thank you for submitting your product for evaluation. If you have any questions, please contact Mr. Tom Elliott at (512) 465-7908.

Sincerely,

Jon P. Underwood, P.E.
